5

- 1 EASY TO USE
- 2 LET THERE BE LIGHT
- 3 ENJOYMENT AT THE TOUCH OF A BUTTON
- 4 ADJUSTABLE OUTLET
- 5 ALWAYS FRESH

### EASY TO USE

The clever design and the easy to use digital control panel transform the preparation of coffee into pure pleasure. Whether making a Cappuccino or running the machine care program – the simple operating symbols guarantee an easy, carefree and enjoyable coffee experience.

### LET THERE BE LIGHT

The Franke H is a real delight for all your senses. During the coffee making process the cup is placed in the spotlight: the cup illumination feature add a touch of elegance to your favourite cups and let your eyes savour the experience.

### ENJOYMENT AT THE TOUCH OF A BUTTON

The one-touch “Cappuccinatore” function lets you prepare a uniquely creamy Cappuccino or delicious Latte Macchiato at the touch of a button. With the “Cappuccinatore Duo” you can even prepare two drinks simultaneously. The aroma, mixing ratio and recipe can be set individually for each coffee speciality.

### ADJUSTABLE OUTLET

Beautiful, easy and practical: the high adjustable coffee outlet accommodates small and large cups and even a glass for your favourite Latte Macchiato.

### ALWAYS FRESH

The automatic water-and steam-rinsing function guarantees a reliable and hygienic machine operation. This way your coffee creations always taste delicious and fresh.
