MAZZER

MINI filter + energy - size

Compact sized commercially designed filter coffee grinder. Its variable grind settings and ease of use functions make this compact grinder an ideal choice

- > Heavy duty die-cast aluminum body made to last
- > Perfect particle size distribution of coffee grounds to get the best coffee cup
- > User friendly touch panel
- > On-demand dosing
- > Adjustable grinding time
- > Inox canister dishwasher safe
- > So quiet that when operating without beans you can barley hear the motor
- > Stepless grinding adjustment
